

COMMANDER NAVY REGION MID-ATLANTIC (CNRMA) TRAFFIC SAFETY TRAINING

Traffic Safety Training is coordinated and managed by the respective CNRMA Public Safety installation safety offices. The following is a brief synopsis of the courses currently offered:

Basic Rider Course (BRC) - Motorcycle Safety Course, (16 hours, 2 days). Motorcycle Safety Foundation (MSF) approved course. Mandatory initial motorcycle safety training for all active duty military personnel who operate a motorcycle on/off base (on/off-duty), and DoD civilian personnel who operate a motorcycle on base.

Experienced Rider Course (ERC) – Motorcycle Safety Course (5 hours, 1 day). MSF approved course. Mandatory recertification every three (3) years for all active duty military personnel who operate a motorcycle on/off base (on/off duty) and all DoD civilian personnel who operate a motorcycle on base. Group riding suite is included in this training. **Successful completion of BRC is required.**

Military SportBike Rider Course (MSRC) – Motorcycle Safety Course (8 hours, 1 day). NEW COURSE!! MSF approved course designed specifically for sport bike riders (active duty military on/off base, DoD civilian personnel on base). Course satisfies the mandatory recertification requirements for sport biker riders, however riders shall attend this course as soon as possible. The priorities for training are: 1) The first year riders (regardless of age); 2) Riders under 26 years old; and 3) All other Sport bike riders

All-Terrain Vehicle (ATV) Rider Course (8 hours, 1 day). Operators of government-owned all-terrain vehicles (ATVs) shall successfully complete this course prior to operating these vehicles on any navy installation.

American Automobile Association/Driver Improvement Program (AAA/DIP) (8 hours, 1 day). Classroom instruction in traffic safety designed to establish and reinforce a positive attitude toward safe driving. This course is mandatory for (1) all military and DoD civilian personnel who operate a GMV as their primary duty, or who operate a GMV more than 8 hours a week as part of their incidental duties; (2) all military and DoD civilian personnel who have been convicted of a serious moving traffic violation (i.e., reckless driving, driving while impaired, speeding, following too closely, and failure to yield) while operating a GMV; (3) all military and DoD civilian personnel who have been determined to be at fault in a traffic mishap while operating a GMV on/off a DoD installation; (4) all military and DON civilian personnel who have been convicted of a serious moving traffic violation while operating a PMV on a DON installation; (5) all military and DON civilian personnel who have been determined to be at fault in a traffic mishap on a DON installation while operating a PMV. **Minimum course size is 15 students.**

Driver Awareness Safety Training (DAST) (4 hours, 1 day). Classroom instruction in traffic safety designed to establish and reinforce safe driving habits with emphasis on individual responsibility and correct response to routine and emergency driving situations. **Course meets the military personnel under 25 years of age and refresher traffic safety training requirements. Minimum course size is 15 students.**

**QUOTAS ARE REQUIRED FOR ALL COURSES. SEE NEXT PAGE FOR
INFORMATION ON COURSE SCHEDULES AND HOW TO OBTAIN QUOTAS.**
